## Refunds Update -

Please see our [terms & conditions](#) (section D) for our cancellation policy relating to the Scottish Winter Swimming Championships 2023.

Sadly we cannot offer any refunds to participants who could not compete at this year's event, as the event was already halfway through at the point of cancellation. At this point, all event expenses (including venue hire, set-up costs, extra pontooning, ambulance/medical cover, safety crew, warming tents, sound equipment, event admin costs etc.) had already been incurred.

As per our cancellation update email on the 28th of February, we are having ongoing discussions with our insurers and legal advisers as to the next steps we can take. If we are able to get any compensation/payout from the venue's insurance, we hope to pass this back to participants in the form of refunds/partial refunds if at all possible. This, however, will not be a quick process, and we will keep participants updated if and when we have anything to report.

We thank you for your patience and understanding.

Kind regards,

Team SwimWild
